EDUCATION

Amity University , Noida(UP) — BCA

2023 - 2026

Pursuing BCA (Bachelor of Computer Applications) through distance learning while independently building full-stack projects and contributing to web development communities to gain practical experience beyond the academic curriculum.

Govt. Girls School, Dholpur(Raj.)— 12th

2022- 2023

Completed 12th grade with a focus on PCM (Physics, Chemistry, Mathematics), building a solid foundation in science and analytical skills.

Certificates

FullStack-Development

Earned a Full Stack Development certificate from Apna College, guided by Shraddha Khapra and Aman Dhatarwal, known for their hands-on teaching style.

Focused on hands-on development rather than just theory — built multiple projects as part of learning.
